### Skate Sharpener

When your skate blades get dull, the V Sharpener will give you the edge you need for greater control, performance and speed, anywhere anytime! The handheld V skate sharpening tool is made of ceramic steel. An easy and safe way to restore skate blade edges between periods, on the bench, at home or on the pond. Fits player and goalie hockey blades as well as most figure skate blades. The V Sharpener does not replace professional skate sharpening. It should be used between sharpening and for emergency purposes.
